NATHAN SMITH & SON'S

Supplementary List of Desirable TENDER and HARDY PLANTS.

—SPRING 1905.—

TENDER HOUSE AND BEDDING PLANTS.

AGERATUM.—Everyone is familiar with this useful bedding and border plant. Very desirable for color effect. We offer three of the very best tested varieties:

Lady Isabella. Pure white, of dwarf habit.

Princess Pauline. White center, sky-blue margin. Very attractive.

Stella Gurney. Deepest blue. Always in flower wherever used.

5¢ each; 50¢ per doz., Postpaid.

CALADIUM ESCULENTUM.—A tropical plant growing to a height of four and five feet and of the same width. Immense two foot leaves and eighteen inches in diameter. It is a fine plant for lawn, especially when planted with other tropical plants. Fine bulbs, 15¢ each; 3 for 40¢, Postpaid.

DAHLIAS.

For variety of color and form, ease of culture and free flowering habit the dahlias are unequalled. No garden complete without a bed of them and next to the Aster, no garden flower is better adapted for bouquet work. Its brilliant colors are equalled only by the Pansy. Our collection contains a choice list of the best for all purposes.
